- Perfect for polished marble and granite countertops.

ADVANTAGES

- Does not contain alcohol or ammonia
- Delicate formula, but excellent degreaser.
- No need to rinse.
- Rapid drying.
- No smearing.
- Low foam, highly effective.
- Pleasant fragrance.
- Guaranteed to clean without damaging delicate surfaces.

HOW TO USE IT

FILACLEANER SPRAY is a pH neutral cleaner that can be used on all surfaces, even the most delicate, without fear of damaging them. FILACLEANER SPRAY cleans and removes dirt, quickly returning the shine to marble and granite counter tops and all washable surfaces in the home: ceramics, plastic laminates, stainless steel, windows, mirrors...

How to use: spray the product directly onto the surface to be cleaned, then wipe with a clean, dry cloth. The product dries quickly. No rinsing required.

Storage temperature: between 41° F and 86° F (5° C and 30° C). Must be applied to material at temperatures between 41° F and 86° F (5° C and 30° C).
